On 04-23-19, ECI E. Ferreira and Jay Kim conducted homeless encampment surveys and posted areas for clean-up on April 25th, 2019 to start at 8:00 AM. All locations were posted on both sides of the street and adjoining blocks when applicable. Additional photographs were taken throughout the survey and not are included in this report. On April 25ST, 2019, the following resources will be required to conduct the clean-up: 1 WPD team, 1 LASAN Solids team, 1 Clean Harbors Environmental Services team, and a KUBOTA.

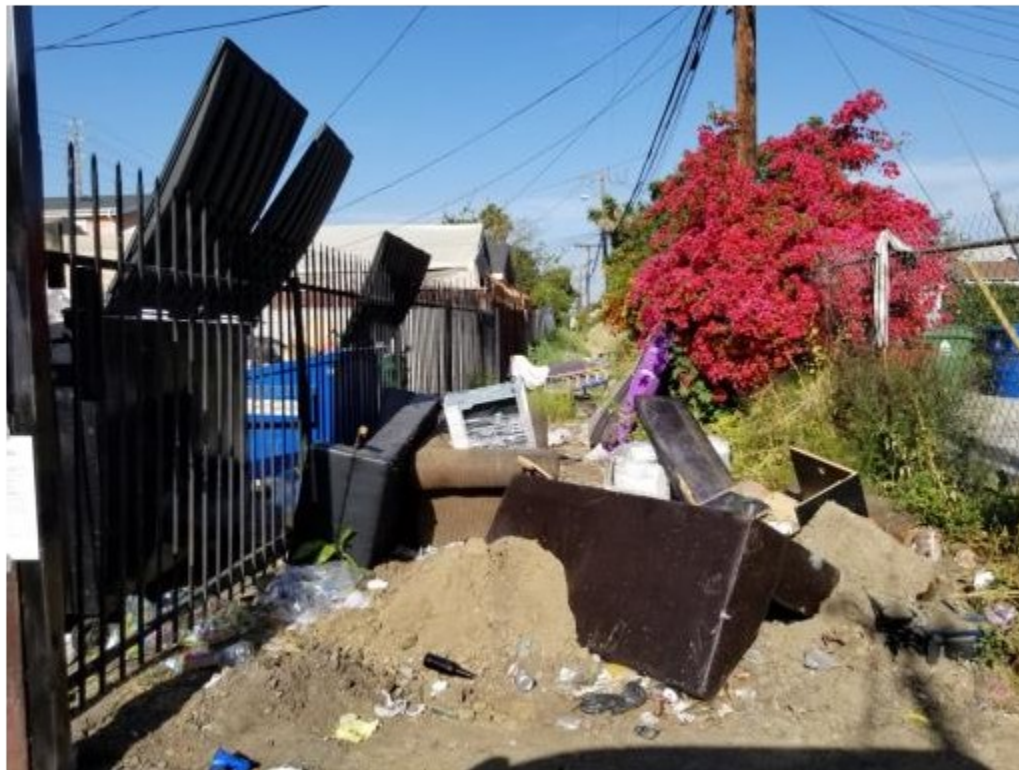

Location 1

Authorization#: 190415002

6 Postings; PIMS#: 54416

We arrived at the site at 8:00 am to begin posting to find all 2 HE's located in the alley running parallel to Century Blvd. On the west side of the alley the 2 HE's are blocking passage to the east entrance that is blocked by various large bulky items. Please check the t-intersections of the authorization zone for any hazards. This clean-up is estimated to take at least **3 hours**.

2 HE is located near 225 W. Century Blvd, 90003 (Alley).

Location 2

Authorization#: 180828021

9 Postings; PIMS#:54419

At 8:30 am, we posted location 2 and found only 1 HE in the clean-up zone. The HE was located closer to the intersection at W 88th St and S Vermont Avenue along a fence by a liquor store. The clean-up is estimated to take around **1 Hour** due to the inconvenient location near a metro drop-off turnout. The HE that was described in the initial assessment report was located in the center parkway but moved out of the authorization zone closer to 92nd St. The northbound side of the authorization zone was clear of any HE's.

1 HE 8900 S Vermont Ave., 90044 (Sidewalk).

UPDATE 04/24/2019***

Upon further review the HE observed during survey is in an unincorporated area of the City and not within City of LA boundaries. NavigateLA research indicates the median and West sidewalk are unincorporated. The east sidewalk is inside the City of LA. The HE was found in the West sidewalk. Postings to be removed.

Location 3

Authorization#: 190403017

0 Postings; PIMS#: 54424

At 9:00 am, when we arrived on site we found **OHE's** located in the dead end on 700 East Stanford Street. There used to be an RV but has since moved and left a pile of trash and debris considered an illegal dump. The Solid crew should consider cleaning this up since it blocks parking on the street. Otherwise, there is no work for ECI's doing CSLA here.

0 HE located near 700 E 108th St, 90059 (sidewalk/ Dead End).

Location 4

Authorization#: 190403016

At 9:30 am, when we arrived on site we found **2HE's** located beneath the 110 Freeway overpass. This clean-up is estimated to take about **1 hour**. The piles are small, process everything accordingly.

2 HE located near 418 W 92nd St., 90003 (Sidewalk/ Underpass).
